Jakarta, Indonesia | +62 858-8308-0836 | arh300403@gmail.com | linkedin.com/in/adrianrhk | rafaelhakeem.github.io

Communication graduate (GPA 3.90, magna cum laude) running regional programmatic operations for a Jakarta-based demand-side platform. Manages a US\$558K half-year media budget across four Southeast Asian markets at an 80% buying margin, leads a 3-person optimization team, and has designed two operational redesigns that lifted team throughput by 40% and 124%. Moves comfortably between commercial margin decisions, platform data and English-language stakeholder work with regional clients and holding-group agencies.

EDUCATION

BA in Communication, Public Relations Concentration

Aug 2026

Universitas Prof. Dr. Moestopo (Beragama) — Jakarta, Indonesia

GPA 3.90 / 4.00, magna cum laude · Teaching Assistant: Quantitative Research; Integrated Marketing Communication

PROFESSIONAL EXPERIENCE

Programmatic Specialist

Apr 2026 – Present

YMT Ads — Jakarta, Indonesia

- Held an 80% buying margin and kept overall revenue margin above 70% on a US\$558K half-year media budget spanning Indonesia, the Philippines, Thailand and Vietnam, running end-to-end operations for Unilever, P&G, Nestlé, Danone, AXIS, PMI and Djarum with WPP, Publicis and Dentsu.
- Hit the 1.5 ROAS benchmark consistently on online-to-offline activations by leading a 3-person optimization team through weekly pacing and eCPM reviews across concurrent CPA, CPL and CPI campaigns.
- Kept media quality inside client thresholds on every managed campaign, holding viewability above 85% and invalid traffic and tracking discrepancy below 1% through IAS, DoubleVerify and CM360 verification.
- Cut manual trafficking work across the team by partnering with engineering to specify and launch automated self-serve features in the company's proprietary DSP.
- Redirected client budget allocation between markets and formats by building recurring performance dashboards and end-of-campaign decks used in planning reviews with regional clients.

Local SEO Analyst Intern

Jan 2026 – Apr 2026

GTMLab, formerly GetFound — Jakarta, Indonesia

- Owned the SEO lifecycle for 27+ local and enterprise accounts, from onboarding and market research through on-page and local roadmap execution.
- Removed recurring manual reporting from the team's weekly workload by building automated templates for keyword rankings, search visibility and ROI, standardizing reviews across all accounts.
- Ran Google Ads Search alongside SEO delivery, restructuring keyword and match-type coverage, ad copy, negative keywords and search-term hygiene.

Digital Marketing Intern

Aug 2025 – Dec 2025

Schoters by Ruangguru — Jakarta, Indonesia

- Raised weekly sourcing capacity by 124% (25 to 56 listings) and execution volume by 40% at a 100% delivery success rate, by proposing and piloting a split-team restructuring of the KOL division that removed multitasking bottlenecks.
- Cut contract turnaround by 75%, from 8 minutes to under 2 per document, and eliminated manual entry errors by automating generation on Airtable and Google Workspace.
- Delivered two flagship campaigns across a 177+ partner pipeline, with top creative reaching 277K+ views; selected to the internal audit team that diagnosed workflow inefficiencies and set scaling recommendations for the following quarter.

KOL Specialist, Freelance

Apr 2025 – Dec 2025

Bert's Agency — Jakarta, Indonesia

- Shaped creator selection and pitch benchmarks for Kapal Api, Reckitt, Unilever and Johnson & Johnson by scoring audience fit, brand persona, engagement rate, CPM and projected GMV across nano to mega tiers.
- Shortened sourcing time on urgent briefs by building a categorized partner database and competitor benchmark set used by the business development team in client pitches.

Social Media Specialist

Mar 2025 – Jun 2025

LLDIKTI Wilayah III, Ministry of Higher Education — Jakarta, Indonesia

- Turned government higher-education policy into published digital content for institutional and student audiences, clearing accuracy with the originating departments before release.
- Lifted engagement on official channels by rebuilding posting schedules and content formats against channel insight data.

Digital Marketing Intern

Jan 2025 – Apr 2025

C Channel Indonesia — Jakarta, Indonesia

- Ran creator delivery on 9 concurrent Unilever and Beiersdorf campaigns in an English-speaking international team, analyzing CPM, ROI, engagement and budget data to inform later brand activations.

LEADERSHIP

Founder & Chairman

Dec 2023 – Jan 2025

Les Ailes De La Communication (LAC) — Jakarta, Indonesia

- Built a student-led communications consultancy from zero to a 12-person team, defining the service scope, delivery workflow and internal role structure.
- Won and delivered three institutional engagements end to end, including a national legislative body, owning scoping, resourcing, media strategy and client reporting.

Chairman

Jan 2025 – Dec 2025

Creative Fighters — Jakarta, Indonesia

- Delivered a campus photography exhibition with no institutional budget, directing a 33-person committee across curation, logistics and execution and covering costs through member contributions and secured sponsorship.
